

SHASHI RAMOLA

GRAPHIC DESIGNER

ABOUT ME

I consider myself to be a versatile artist. I have a strong hand in software like Adobe Illustrator, Photoshop, Coreldraw and ADOBE XD. My focus and handwork working nature are what complement my conceptualization skills. My expertise includes in the field of social media posts creatives. I have always been a team player. Hard work and quality work is what define me.

I am always ready to face new obstacles. I like to know the latest trends in my field. Ready to do productive work each day.
